More effective

More economical.

No side effects.

No resistant factor.

Healthy Pet Naturally

**PIONEER of
HOMOEOPATHY in VETERINARY
SINCE 1977**

GOEL VET. PHARMA PVT. LTD
A vary new approach to your veterinary clinical problems

INTRODUCTION

It is a need of the time and Pet health to accept Homoeopathy for the cure of Diseases. For a Doctor cure is more important than the system itself, hence we decided to introduce ready to use Homoeopathic Veterinary Medicines.

HOMOEOPATHY

Dr. Samuel Hahnemann, the German Allopath offered the alternative system of the therapeutics 200 years ago, to fill up the therapeutic vacuum. It was a complete dark era of Medicine then. There was no knowledge of anatomy, physiology, pathology, pharmacology, surgery and microbiology at that time. Hence a new approach of "Like cures like" was introduced as HOMOEOPATHY.

HOMOEOPATHY CURES

Homoeopathy: a system of complementary medicine in which ailments are treated by minute doses of natural substances that in larger amounts would produce symptoms of the ailment. Lot of studies says Homoeopathy cures the incurable diseases too. "Homoeopathic medicine

HOMOEOPATHY IN VETERINARY

Since then the Effectiveness of Homoeopathy has been proved in a very very large number of Patients. The Same Principle has been extended to all kinds of life including Animal life.

HEALTHY PET NATURALLY

Homoeopathic Veterinary Medicines for Pets gives advantage of Healthy Pet Naturally because it does not contain chemicals of any kind.

PET ANIMAL HOMOEOPATHY

...with ready to use formulations of Homoeopathic medicines for Veterinary Use. An Veterinarian can easily use the products after knowing the disease symptoms. Because for the poor farmer and field Veterinarian the cure is more important than the type of medicine. Here we are presenting the ready to use Homoeopathic

EASY METHODS TO GIVE THE MEDICINE

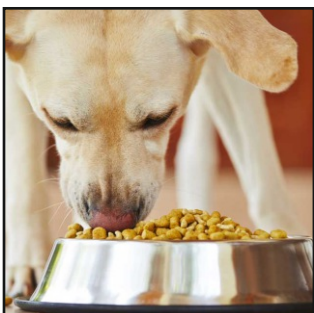

For Faster Relief & Quick Action of Medicine, please make sure that medicine must be touched through tongue, please do not increase the dose, let decrease the time interval of medicine. You may give medicine to the pet with the interval of half an hour to one hour or as suggested by the doctor.

Give the medicine directly on the tongue of the Pet through syringe or dropper available within the medicine cap.

Spray on the nostrils or the tongue.

Give the medicine with drinking water or dietary food.

Stress Free Life!
